We've made a very positive start to the year with students being enthusiastic in their work and roles within the school and staff planning for the year. This term there is a whole-school focus on the Keys to Success identified in Program Achieve. These keys are Getting Along, Persistence, Organisation, Confidence, Resilience and Excellence. These truly are the keys to learning and well-being and complement the school’s FISH Philosophy.

I look forward to catching up with you at the Acquaintance Night and am also looking forward to hearing Professor John Halsey speak at the AGM. I have listened to his presentations in many forums and always come away with new ideas and perspectives.

Cheers, Dzintra

Annual General Meeting
The Annual General Meeting of the Governing Council will be held on Monday 18th February at 7.00pm in the Library. We are very fortunate to have as a guest speaker, Professor John Halsey who is currently the Sidney Myer Chair of Rural Education and Communities in the School of Education at Flinders University. He will be speaking about the importance of small schools and sustainability at the start of the AGM. Please let friends in the community know about his visit. They are most welcome to come along and listen to him speak before the business of the AGM begins.

KESAB Clean Up Day
On Friday 1st March, we will be holding our Clean-Up of Blyth. We will be working between 9.10am and 11.00am. If you are able to supply your child with a pair if old tongs (for picking up yucky rubbish) or gloves these would be appreciated. It would also be good if children wear solid shoes (not sandals) on Friday. Parents are most welcome to join us is they wish to take a walk around our beautiful town.

Uniforms
We have some second hand uniforms available at the front office for sale. If you would like to see what is available please come in and see Marie at the front office. New uniform orders have arrived, so please collect them as soon as you can.

Material & Services Charges 2013
Apologies for the oversight in the last newsletter. M&S invoices were inadvertently not attached to the newsletter. They are this time.

Catastrophic Fire Danger Rating
Blyth Primary School has a ‘low risk’ bushfire rating. This means that on days of forecast catastrophic fire danger rating, our school will remain open. However, school buses will not operate within the Fire Ban District.

**Student Representative Council**

This year Ms D’Cruze will be working with students to expand the role of SRC. Congratulations to the following students who have been elected to SRC by their classmates: Maddison Ciardiello, Emilee Pyrke, Caitlin McElroy, Mathew Easther, Lachlan Eime, Angus Kennett, Carmel Pyrke, Brody Walsh, Charlotte Jacka, Kelsey Hayes, Wade Angel, Jack Welke, Lachlan Dunsford, Jade-Lee Fisher, Bonnie Williams.

**Friends of Blyth Primary School Facebook Page**

The Blyth Primary School parent club is in the process of setting up a facebook page for parents & carers of current students as well as teachers to share information.

We are hoping the page will be endorsed at the AGM on the 18th Feb and we hope to have the page up and running shortly after.

This facebook page:

Will be a closed group, so any posts will not show on your facebook friends pages.

Will be open to staff and parents/grandparents/carers of current students.

Unfortunately anyone under the age of 13 will NOT be provided access to this page as Facebook’s policy is that facebook is strictly for anyone aged 13+.

This page can be used for reminders eg tuck day, meetings etc, to help coordinate events requiring parent support, and as a tool for parents/carers to sell/buy 2nd hand school uniforms.

The Blyth Primary School has a Grievance Policy and we request that this policy be followed if the need to make a complaint arises. Negative comments on this page will be removed. Initially photos will not be uploaded to this page, as it will require parental consent.

Feedback or ideas on this page can be forwarded to Tamara Pyrke (Parent Club Secretary).

**School Card**

The **School Card Scheme** is administered by the Department for Education and Child Development (DECD) and provides financial assistance towards the educational expenses incurred by families at government and non-government schools who meet the eligibility criteria.

School card assistance is available for: dependent students from 4 years of age receiving full-time schooling at a government and non-government school independent full-time students undertaking 6 subjects in years 10 or 11, or 5 subjects in year 12 at a government or non-government school adult re-entry students undertaking DECD funded subjects.

Eligibility for School Card assistance is dependent upon the combined family income for the applicable financial year being within the School Card income limits. The School Card income limits are listed on the fact sheet, which is attached to each application form.

School Card assistance provides financial assistance towards educational costs such as school fees (known as Materials and Services Charges in government school), uniform costs, and camp/excursion fees.

Applicants are required to apply each school year, using the appropriate form available at your schools Front Office.

For any additional information on the School Card Scheme please contact your child’s school or free call 1800 672 758.

School Card forms are available for anyone who requires them. Please ask to have them sent home to you for completion.
Rec-Year 1 News
Dear Families,
Our class is settling well and getting into a routine.
I’ll give you a timetable that we follow “usually”, at the BBQ evening. I’ll also give you a few notes about our learning plans for this term.
So far we have categorised animals into Invertebrates and Vertebrates. Then further classified Vertebrates into Mammals, Reptiles, Fish, Amphibians and Birds. We have used cutting skills to make an example of each and will learn characteristics of each.
Wednesday we had Ms Cutting show and Share her chicks and pullets and the children learnt a lot. They were very interested in designing a fox proof chicken coop.

Cheers, Gabrielle Silvester

OSHC News
Welcome back everybody.
Wow hard to believe week 3 already. Numbers at OSHC just keep growing which is fantastic and it is always great to see new faces.
This term the children have been doing lots of construction work with pop sticks, paper bag puppets, bling bling mosaics, friendship bands, craft foam critters, door hangers and much more.
The construction kits that were purchased from a donation from the Blyth Development Board are getting a workout with numbers of younger children attending growing. Donations of this nature are so important to small services, without them we could never afford such great equipment.
Feel free to drop in and see our pin up boards at any time to see some of the great work completed by children and photos of the great fun they have at OSHC.
Thankyou for your continued support.

Cheers Deb

Year 2-4 News
Dear Parents,
We have had a brilliant start to the term and the children are settling down to class routines. The children use a diary to remind them of home work. Could you please check their diaries daily and sign it on the weekend. It is very important for all students to read daily and fill in their reading journal. Our theme for this term is Animals and their life cycles. In Maths, we are revising addition facts and Plane shapes and in English we are writing narratives and retelling Aboriginal Dreaming stories. In spelling all the students are revising the vowels and the different options for their use. In our Geography topic we will look at our own country and its different landforms.
Our classroom looks great and I hope to catch up with all of you on Monday, at acquaintance night.

Regards, Jillian MP Teacher.

Year 5-7 News
In weeks 1-3 our learning has involved an Australian theme. We have completed a mini project, revised the States, Territories, Capital Cities, significant landmarks, tourist attractions and mapped these attractions.
Every student in the class has completed a Multiple Intelligences Quiz. We graphed the results to determine our particular preferred learning style. This has complimented the work Mrs. Richards has been working on in Health about the brain. This learning enquiry has provided students with an understanding of their ideal learning style and their area of strength.
Next week we will begin our History studies on Migration. Each member of the class will need to find someone from overseas who is now a resident in Australia to interview for their research report. Interviews will begin in the next few weeks. Let me know if you need assistance in finding someone to interview.
I look forward to catching up with everyone on Monday night at the Acquaintance evening. I am also the staff representative on governing council for this year.

EXPERIENCE ANOTHER CULTURE IN 2013 AND IMPROVE YOUR LANGUAGE STUDIES AT HOME

In June-July students from over 20 countries around the world will be arriving in Australia to study at local high schools for 5 or 10 months. Opportunities exist for families to act as a host family, in a volunteer capacity. Hosting can be on a temporary, short or long term basis. Host families help provide international students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill.

If your family can offer a friendly, supportive and caring home environment, contact us today.
